

Brian Lee Griffith Guitar Bursary

The Brian Lee Griffith Guitar Bursary is intended to support a student of the guitar who currently plays and has a talent for improvisation.

In memory of Brian Griffith, the bursary is intended to foster Rock, Jazz, Funk and Blues inspired music.

The applicant must reside, play, and/or go to school in the Hamilton area.

If the applicant is one of three finalists, they must agree to audition, if necessary, in front of at least two judges by signing in the space provided on the application form.

The applicant must submit the completed application form, a letter of reference, and 1 CD containing a composition at least four minutes long and an MP3 audio link to the following street address and email address respectively.

- Street Address: Eudene Luther 10 Pine St., Hamiton, ON L8P 2A1

- Email address: eudena@sympatico.ca

**Applications must be post marked no later than
March 15, 2024**

N.B. Based on winning entries in the past, chosen by a panel of judges, I encourage applicants to submit a well constructed previously unpublished original instrumental composition, of at least four minutes in length that highlights your improvisational skills on guitar. You are free to use other instruments to support your guitar parts and extra credit will be given to applicants who play these instruments themselves.

Thank you and good luck to all that apply.
